Home / **Education**

This section describes the teaching organization (class schedules, exam appeals, graduation sessions, calendar of teaching activities) and the educational offerings related to D.M. 270/04, which the Department of Engineering "Enzo Ferrari" offers starting from the academic year 2009/2010.

Degree Courses

- **Civil and Environmental Engineering**
- **Electronic Engineering**
- **Computer Engineering**
- **Computer Engineering (Mantua Campus)**
- **Mechanical Engineering**
- **Vehicle Engineering**

Professionalizing Degree Courses

- **Construction and land management**

Master's Degree Courses

- **Advanced Automotive Engineering - English taught**
- **Civil and Environmental Engineering**
- **Electronic Engineering - English taught**
- **Computer Engineering**

Timetable

Didattica -> Organizzazione didattica
(only in the Italian website for the moment)

The screenshot shows a web browser displaying the website ingmo.unimore.it/it/didattica/organizzazione-didattica. The browser's address bar and navigation icons are visible at the top. Below the browser, the website header includes the text "Rubrica Esse3" on the left and "ENG" with search and menu icons on the right. The main content area features the UNIMORE logo (a circular emblem with a horse and rider, the text "UNIVERSITAS STUDIORUM MUTINENSIS ET REGIENSIS", and the year "1175") and the text "UNIMORE UNIVERSITÀ DEGLI STUDI DI MODENA E REGGIO EMILIA". To the right of the logo is the text "Dipartimento di Ingegneria 'Enzo Ferrari'". A red navigation bar contains the following menu items: "Dipartimento", "Didattica", "Ricerca", "Terza missione", "Internazionalizzazione", "Servizi", and "Assicurazione Qualità". Below the navigation bar, the breadcrumb "Home / Didattica / Organizzazione didattica" is shown. The main heading is "Organizzazione didattica" in a large, bold font, followed by the subtitle "Lezioni, esami e sedute di laurea". Below the text are two images: the left one shows a clock and a calendar page with the number "2", and the right one shows a person holding a calendar page with the number "01". A "Screenshot" label is overlaid on the bottom right of the first image. On the right side of the page, there is a grey box titled "Naviga la sezione" containing a list of links: "I Corsi di Studio del Dipartimento", "Corsi di Laurea: informazioni generali", and "Corsi di Laurea professionalizzanti/informazioni".

Esse3

<https://www.esse3.unimore.it/>

- **Electronic Grade Book:** exam results and student career.
- **OPIS Forms:** Student survey on the quality of teaching and specific courses. To be completed before the exam! The surveys are anonymous!
- **Completion of the Study Plan:** Each degree program includes some elective credits (courses).
 - Master's Degrees: choices should be made between November and January of the second year.
 - Note: If choices are not made, the standard statutory plan will be assigned.
 - Don't worry, a meeting will be organized before the deadline!

CALL FOR ADMISSION TO THE MASTER DEGREE COURSES PROVIDED IN ENGLISH - ACADEMIC YEAR 2024-2025

The enrolment procedure differs according to the study programme chosen and is specified in the call for applications

Students willing to enrol in: **International Management (Class: LM-77), Advanced Automotive Engineering (Class: LM-33)** shall submit an online application from www.esse3.unimore.it and:

1. Choose "Registration" to the top-right corner. Fill in your personal data and after that your personal username and password will be created.
2. Log in and select **"Student Area" and then "Admission "**
3. Include your qualifications and attach all the documents outlined in the public announcement: [link](#)

Students willing to enrol in: **Artificial Intelligence Engineering, Digital Automation Engineering, Electronic Engineering, Languages for Communication in international organizations, Physics and Sustainable Industrial Engineering** shall submit an online "application for evaluation" from the website www.esse3.unimore.it and:

1. Choose "Registration" to the top-right corner. Fill in your personal data and after that your personal username and password will be created.
2. Log in and select **"Student Area" and then "Application for evaluation "**
3. Include your qualifications and attach all the documents outlined in the public announcement: [link](#)

For information on the enrolment procedures to **Bachelor's degree (Laurea), Single Cycle Master's degree (Laurea magistrale a ciclo unico), Master's degree (Laurea specialistica), Graduate studies**, write to [international welcome desk](mailto:international_welcome_desk@unimore.it) or [Informastudenti \(Informastudenti@unimore.it\)](mailto:Informastudenti@unimore.it) or read the call for applications [link](#)

In case of technical issues write to webhelp@unimore.it .

HOW TO GET A NEW PASSWORD

In case you remember your UNIMORE username or the e-mail address provided during your registration, but you forgot your password, click the link **"Forgotten pas**

Teams (Microsoft) & Moodle

Lecture notes

Two Platforms

Here's how you can access Microsoft Teams for your classes:

To access your course classes on Teams:

Via the web using Chrome or Edge at www.office.com

From the Teams app (desktop or mobile is recommended; download it from [Microsoft Teams Download](#))

Log in with your
username@unimore.it

To access Moodle:

Go to moodle.unimore.it

Log in with your
username@unimore.it
